

## Energy Technologies – the Key to Climate Change

Energy research for the Media on the road to COP15

(26 November 2009, JRC-IE, Petten, The Netherlands)

09:00 **Introduction by the Director JRC-IE, Giovanni De Santi and Message from EP President Jerzy Buzek**

### Interactive Panel Sessions "The Technology Key"

Mediator: BBC Environment Analyst Roger Harrabin

- 09:10 **PV & Biofuels where are we now? (Photovoltaics, & Biofuels)** H. Ossenbrink  
Questions and Discussion
- 09:40 **Nuclear – a green solution?** R. May  
Questions and Discussion
- 10:00 **Keeping Europe's lights on (Energy security)** H. Faas  
Questions and Discussion
- 10:20 *Coffee Break*
- 10:50 **Doing more with less (Energy efficiency)** B. Atanasiu/ H. Ossenbrink  
Questions and Discussion
- 11:10 **Hydrogen fuel for the future** M. Steen  
Questions and Discussion
- 11:30 **Interactive Panel Discussion with following experts:**  
Bogdan Atanasiu (Energy efficiency), A.Mercier (wind, SETIS), S.Peteves (SETIS) D. Baxter (Biomass), A. van Heek (NRG, Nuclear), V. Tzimas (Clean Coal), V. Rangelova, M. Fuetterer and K.Nilsson (Nuclear), W. Sinke (ECN Solar), G. Tsotridis (Fuel cells), G. Fulli (Energy security), R. Hurst (Science Strategy), P.Moretto and L. Brett (Hydrogen).
- 12:00 *Lunch & visits to the labs*
- 14:30 **Latest Policy Developments from Europe related to supporting energy technologies**
- |   |                        |
|---|------------------------|
| Europe's Strategic Energy Technology Plan (SET-Plan)            | M. Huemer (DG RTD)     |
| Europe's Strategic Energy Technology Information System (SETIS) | S. Peteves/ A. Mercier |
| European Energy Research Alliance (EERA)                        | R. Ybema (ECN)         |
- Closing comments:**  
G. De Santi, JRC-IE Director / Remko Ybema, Unit Manager Policy Studies, Energy Research Centre of the Netherlands (ECN)
- 16:00 **End of the event**
